GET TO KNOW US

We are a rapidly growing law firm of over 50 Advocates, united by a shared vision to enhance the client-attorney relationship through agility, precision, and unwavering commitment. The Firm's approach is commercially astute, shaped by a deep understanding of ever-evolving legal jurisprudence and regulatory framework. Positioning itself beyond conventional litigation support, ASV Legal LLP acts as a strategic legal partner to its clients, delivering solutions that are both legally robust and commercially pragmatic. The firm combines legal insight with practical business understanding to address complex challenges across industries.

The firm bridges traditional legal practice with the practical realities of modern business, serving as trusted advisors to corporations, financial institutions, government entities, and high-net-worth clients.

ARBITRATION PRACTICE

At ASV Legal LLP, arbitration is the firm's defining strength. Every dispute is approached as a commercial risk requiring clarity, urgency and strategic judgment. The team conducts arbitrations under both institutional and ad hoc frameworks and is entrusted with complex, high value matters across a wide spectrum of commercial sectors.

The firm's work spans the full course of proceedings under the international and domestic arbitrations. This includes obtaining interim relief, representing clients before arbitral tribunals, post-award litigations before the courts, and their effective enforcement to ensure commercially meaningful outcomes.

ASV Legal LLP is presently managing, and has previously handled arbitration and related proceedings involving aggregate claims exceeding Indian Rupees Twenty Thousand Crore, with several significant matters progressing before various forums across the country.

REPRESENTATIVE EXPERIENCE

- **Domestic Arbitration:** ASV Legal LLP regularly conducts domestic arbitrations under the Arbitration and Conciliation Act, 1996 across diverse commercial sectors. The firm represents EPC contractors, infrastructure companies, manufacturers, and PSUs in high-value disputes before arbitral tribunals and courts. Its practice is deeply integrated with Section 9, 11, 34, and 37 proceedings across jurisdictions.
- **International Commercial Arbitration:** The firm represents clients in complex cross-border disputes involving multinational entities and international contractual frameworks. Its experience includes high-stakes matters requiring strategic handling of foreign parties, technical issues, and global commercial arrangements. ASV Legal combines legal precision with commercial insight in international arbitration strategy.
- **Institutional Arbitration:** We handle arbitrations under institutional frameworks, both domestic and international, ensuring procedural efficiency and structured dispute resolution. The firm is adept at navigating institutional rules while safeguarding client interests in high-value, multi-party disputes. Its approach emphasizes timelines, procedural clarity, and enforceability.

REPRESENTATIVE EXPERIENCE

- **Ad Hoc Arbitration:** A significant portion of the firm's practice involves ad hoc arbitrations, where it crafts tailored procedural strategies suited to the dispute. The team ensures efficiency and control in proceedings often lacking institutional oversight. Its experience enables effective management of complex, document-heavy disputes.
- **Construction & Infrastructure Arbitration:** A core strength of the firm lies in handling disputes arising from EPC contracts and infrastructure projects. These matters often involve delay claims, cost escalations, and contractual breaches with significant financial exposure. The firm has handled claims exceeding INR 20,000 crore in this sector.
- **Investor-State/ High Value Public Sector Disputes:** ASV Legal represents government entities and Public Sector Undertakings (PSUs) in complex, high-stakes arbitrations. The firm frequently deals with disputes involving public law elements, regulatory considerations, and large-scale infrastructure interests. Its practice reflects strong capability in handling sensitive and high-value matters.
